Press Release

Investment Company Institute (ICI) and National Investor Service Association (NISA) Announce Partnership to Promote Financial Literacy and Retirement Savings

ICI and NISA are pleased to announce a new partnership to promote financial literacy and retirement savings. The two organizations will work together to develop educational resources and programs that help individuals understand the benefits of saving for retirement and how to do it effectively.

NISA will provide ICI with access to its extensive network of financial professionals and industry experts, as well as its extensive library of educational materials. ICI will provide NISA with its own network of financial professionals and industry experts, as well as its own library of educational materials.

The partnership will focus on several key areas, including:

ICI will provide NISA with access to its extensive network of financial professionals and industry experts, as well as its own library of educational materials.
